AHOY!

Stow your bags and be ready for anything as we embark to our next Port of Call. Where are we headed? We have been called to share in the adventure of growing kids faithfully at St. Mary School! This is not our maiden voyage, you are in the good hands of a capable crew and surrounded by teachers, parents, alumni and community members who know how to weather rough seas and enjoy smooth sailing.

Every year our Mardi Gras celebration takes on a feel all its own and this year's feels FUN! Many of us on the Mardi Gras Committee grew up watching The Love Boat and we couldn't help but laugh as we talked about characters. It's pretty appropriate as our committee is a bunch of characters in their own right!! The connection we have made to our past while preparing for tonight is reflective of the memories we made as children and our hope that our kids are making memories that will last them a lifetime, too. While the students at St. Mary are certainly receiving an excellent education, they are also building a foundation of faith, friends and extended family that they will carry with them on their many adventures.

We will say it now and repeat it again and again... Thank You for joining us in celebrating St. Mary School. While we hope all of you walk away BIG winners tonight, we know that it is the students of St. Mary School who are the real winners! As a committee, it is our hope that this night is full of great fun, delicious food, and wonderful community. If there is anything you need, or if you have a question regarding any Silent or Live Auction Items, please just ask— All Aboard, it's time to raise the gangway (and some \$\$)! Come aboard, we're expecting you...

SPONSORS

The following businesses and individuals gave donations that were especially generous and are being recognized in a special way:

Beth's Jewelry Shop	Bernard's
Berquist Insurance Agency	Kirk's Collision
Westfields Hospital & Clinic	Family Dentistry
Kathy, Ron & Evan Derrick	John Mortenson
Somerset Chiropractic	Hines Auction
Cullen Crea Funeral Home	R & D Catering

SWELL FOLK

In addition to all of the businesses and individuals who donated items for our silent and live auctions, there are also folks who have volunteered their time or given either financial support or donations of services. We hope you will support the businesses that support our school through this event:

Laura Fitzgerald built our boat through hard work, sweat and paint... right in her house. We offered to smash a bottle of champagne in her living room, but she politely declined.

Mike Darrow City Administrator by day... DJ Jazzy Mike D. by night. Donated his time, humor and AMAZING play list!

Chris Hoppe from Powers Sanitation donated the sound equipment for the DJ booth. (DJ Jazzy Mike is still saving up for his own equipment).

John Jarchow continues to volunteer his time and BIG personality (and even BIGGER heart) to keep us on track throughout the evening as our host with the most. We think John strikes the perfect balance of business and fun, with a well handled splash of bad humor!!

Alexandra Hedges of Bear Rose Photography is donating her time this evening. Photos are \$10 to purchase tonight with a portion of proceeds going right back to St. Mary School.

McCoy's Plan

Here is our schedule of events for the night. While we cannot guarantee promptness, Capt. John Jarchow, along with Julie McCoy, everyone's favorite Cruise Director (aka Carrie Borgstrom) will do their best... Let's just hope no one loses their clipboards!

Special Auction

Last year, we had a special auction to support our school's text books and teacher resources. Our goal was \$15,000 and we almost fell overboard when we raised over \$22,000. This year the Mardi Gras committee was given a pretty big goal, some would even call it a rogue wave... We have been given the challenge of getting new carpeting for all of the classrooms. While it might be nostalgic to have the school look the same for generations... old carpeting should not be seen as nostalgic. We hope to raise the necessary funds to put new carpeting throughout the school. That is more than a \$30,000 goal!! For people who are not comfortable participating in Live Auctions, we welcome you to visit the Purser (checkout table) and make your donation more privately. You can give any size donation or even sponsor carpeting for an entire room.

Queen Mary

We are honored to celebrate with her Royal Highness Queen Mary Rosauer. Ms. Rosauer is a St. Mary Alum and our very awesome Middle School Science Teacher. You don't just have to take our word for it, Ms. Rosauer was awarded Super Science Teacher by Fox 9 News. When she isn't helping to form young minds, she is molding young hearts with her example of service to others. Ms. Rosauer is the driving force behind a lot of service projects at St. Mary and an example of stewardship in our Parishes. We bow to you!
