Details

Marathon It – Run It, Bike It, Walk It

When will this event be held? **October 8, 2016**

How will the **Marathon It** be held? Participants will choose to run, walk or bike on a prescribed route located in the city limits of New Richmond, Wisconsin. They will choose how far they will go and then seek pledges from friends, neighbors, relatives, etc.

Who can enter this event? The Marathon is primarily for participation of students, faculty, families, alumni and friends of St. Mary's School.

Sponsors are given the opportunity to show their support for this health wise event through a variety of sponsorship levels. Each level of sponsorship provides the sponsor with different incentives that will promote their business.

The purpose of this year's Marathon It is to raise money for current St. Mary's School programs, textbooks, desks, chairs, chalk boards, overhead projectors and classroom, art, physical fitness equipment, office & testing supplies. The Marathon It is also designed to help promote health awareness in a fun way for all involved.

The Knights of Columbus will be co-sponsoring this event. They will be providing check points around the Marathon route and will also be helping with safety for our participants.

This MARATHON is designed to be a fun purposeful activity. It is a viable public relations and fundraising event in support of nonpublic education.

If you have questions or are interested in participating please contact
St. Mary's School Office at (715) 246-2469

The Difference

Last year your Marathon It donations along with student pledges brought in almost \$11,000 to our school. Your donations last year helped to provide the following to St. Mary's School:

You helped to provide books for our classroom libraries and textbooks for the various subjects taught in every class.

With your help we were able to provide a comfortable, healthy and safe learning environment. Your donations helped to provide students with desks, chairs, chalk boards, smart boards, overhead projectors, physical fitness equipment and much more.

St. Mary's teachers earn 63% of that of a public school teacher. Through your support we are able to offer our teachers medical benefits and help to sustain their salaries.

Your donations are put to great use. Some of our schools most basic needs are met because of your help. Classroom, office, art, and testing supplies are some of the smaller ways in which we make use of your generosity.

Thank You for Your Support

Dear Community Leader,

The St. Mary's School Marathon It Team has been working hard to get ready for our schools 11th annual Marathon It event. We are once again reaching out to our community for the support needed for this event. Our students, teachers, staff and families have been blessed by the generosity of the many individuals and businesses that continue to support this worthwhile event year after year. With your help we will be able to continue our school's current programs, provide textbooks and reading materials for our students, buy vital classroom equipment, support our teachers and much, much, more. It is people like you who make "the difference" for the students at St. Mary's.

St. Mary's is a fully accredited Catholic school which was founded in 1891. Our program serves children pre-school age through grade eight. Classes consist of children from all Christian faiths, and we are very proud of our diversity. For further information about St. Mary's you may look to our website: <http://www.st-marysschool.com>

Many St. Mary's families choose St. Mary's School for their children's education because they believe it is more than just a school. They believe it is a family of parents, teachers, and friends working together to build a community of confident young adults who will someday be leaders in our world. Our school does not depend on your tax dollars to continue with its educational standards. It depends on people who believe in school choice in their community, exceptional education without wasteful spending, and Christian values being taught in the classroom every day.

If you believe that through hard work anything can be accomplished, then we invite you to become an event sponsor. Our children face considerable challenges in today's world, and St. Mary's School continues to help children make positive steps towards their future achievements. Children still dream and it's up to us to help their dreams soar.

We are seeking participation from area businesses to sponsor this event. In exchange for your contribution, we offer a number of ways in which your business could be represented at the Marathon It (please see the next page). This event is an excellent way for your business to advertise and at the same time help a good cause. We are excited about the opportunities this event can bring to the community, your business, and St. Mary's School. Thank you for your time. If you have any questions please feel free to contact Marathon It team member, Krissy Dalton, at (715) 246-6892.

Respectfully,

The Marathon It Team
