Dear St. Mary School Families,

I hope that everyone had a wonderful Christmas holiday filled with joy and love. I was so happy to see all of the students on Monday! I had missed their smiles.

There are a lot of things happening in January. Next week will begin our winter MAPS testing. Students in Grades 1-8 will be tested in reading and math. Please make sure that your child has a good night's rest and a hearty breakfast. It is hard to concentrate if you're tired or hungry!

Teachers and Student Council are busy planning a fun week of activities for Catholic Schools Week. The students will be doing a virtual talent show again. Students may record their entries and send to Mrs. Clobes at grade6@st-maryschool.com, and she will compile them into a fun variety show and then as a school we will view it together. Mrs. Bolton will be explaining the process to the students in music class next week. All entries should be emailed to Mrs. Clobes by January 24th and please keep entries to 1.5 minutes.

Have a wonderful weekend and stay warm!

Blessings,
Mrs. J.

The St. Croix County Home-Delivered Meal Program is in need of volunteers in New Richmond. Meals are packaged at the New Richmond Senior Center and delivered between 11 a.m.—12 p.m., Mondays through Thursdays. They are in need of regular drivers and individuals who can substitute once a month. You can feel good about giving back to your community and providing a fantastic service! If you are interested in being part of this great program, contact the Outreach Coordinator, Brandy, at 715-381-4364.

STAFF SPOTLIGHT

This week's Staff Spotlight highlights Mrs. Tiffany Vier, 4th grade homeroom teacher.

1. What is the best Christmas present you've ever received? **Being able to go home and see my family. There was a year that I didn't think we would be able to get together and my family surprised me with a big party when I got home—best Christmas ever.**
2. You have to sing karaoke, what song do you pick? **Love Shack—it's a classic karaoke must.**
3. As a child, what did you want to be when you grew up? **When I was in Kindergarten I was asked to draw a picture showing what I wanted to be—I drew myself as a teacher :) What can I say, I love what I do!**

These cost you nothing extra and St. Mary School funding is supported by your participation:
