SCHOOL

Dear St. Mary School Families,

I hope everyone is getting out and enjoying this wonderful spring weather we are having! The kids sure have been enjoying recess time. Spring weather is great but also very fickle; it can be warm and sunny one moment and then cold with rain or snow. Please continue to send a coat with your child each day because school policy is that students must wear coats if the temperature is below 50 degrees.

Please note that we had to change the date of the Spring Program to Thursday, April 28th and there will be two shows at 1:00 P.M. and 6:00 P.M. At this point we are currently moving forward with holding it at the GEM Theatre. Information will come home after spring break regarding ticket night. There will be no charge for tickets, but you must stop in and reserve your seat. A free will offering will be collected at each show.

Registration for the 2022-2023 school has now been open for over a month, and I am happy to announce that our St. Mary School family is growing! There are a number of classes that now have waiting lists! Also, if you know of anyone interested in our Preschool program, tell them to register soon as we are starting to fill up.

Blessings,  
Mrs. J.

## STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Heather Jo Bolton, our marvelous music teacher: I'm in my 27th year of teaching music, but this is only my 2nd year with St. Mary's. I pretty much love everything about teaching music and how much the study of it greatly impacts and improves one's life. I feel very blessed to work with each one of my fabulous students! My husband Matt and I will celebrate 17 years of marriage next month. We have three amazing kiddos—Declan is in the 1st grade here, Armella is in 4K with Mrs. Derrick and little Landon has yet to start. Zoie, our 12 year old Golden Retriever and 6 month old Yellow Lab, Charlie complete our family.

1. **What is your absolute dream job? Motherhood and Teaching.....so I'm living it!**
2. **If you had a time machine, would you rather go back in time or into the future? This is a tough one, but I'm going to have to go with my kids' answer and say "Back to the Taco Party, of course! Dragons LOVE tacos!!!" Haha!! Those really are pretty fun books :)**
3. **If you could pick anywhere in the world to live, where would you pick? Honestly, I really love the change of season and all the beauty we have right here. For somewhere else, I would have to choose Iceland. The people are incredible, the air and landscape are spectacular and they have the "Blue Lagoon"!**

**These cost you nothing extra and St. Mary School funding is supported by your participation:**
