Dear St. Mary Students & Parents,

I seem to getting a case of whip-lash from the changes in temperatures this spring. Going from sunny and 70 to snowy and in the 30s. Please remember to check the temperature each morning and send the appropriate clothes with your student. Mornings may need coats, hats, and gloves but then change to an afternoon of short sleeves. Hopefully by May we will be able to put away the winter coats.

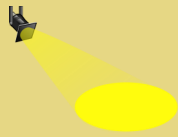

The New Richmond District School Board approved a change of calendar on April 19th. They have changed the last day of school to **Wednesday, June 2, 2021**. This **will not** be a late start Wednesday. School will begin at its usual time of 7:40 a.m., but it will be an **early out at 12:40 p.m.** Due to this change in calendar the 8th Grade Graduation will be moved to Tuesday, June 1st at 1:30 p.m. with an award ceremony following in Corrigan Hall for graduates and their families.

Starting on April 26th students in grades 1st through 8th will begin their spring MAP testing. It is very important that your child receive a good night's sleep and a healthy breakfast prior to testing. Homeroom teachers will notify parents of exact testing days in classroom newsletters.

I am pleased to announce that all contracted teachers are returning for the 2021-2022 school year. I am so pleased to have such a wonderful group of caring teachers on staff. St. Mary School is blessed!

Blessings,

Mrs. J.

STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Caitlin Olson, our Kindergarten Teacher! Mrs. Olson is wrapping up her fifth year teaching at St. Mary School. Her favorite thing about working and teaching Kindergarten here is the abundance of support! She says that not only are the families and coworkers supportive, but Kindergartners are always the first ones to let you know if you look tired or if you got a new shirt that they like! It's a fun adventure each day being a Kindergarten teacher!

1. If you could be on a reality TV show, which one would it be? I would be on Nailed It! I love baking and I am always up for taking on baking challenges and it would be such a sugary hot mess! Plus I think it would be awesome to have a sparkly gold bakers cap!
2. If you were a dog, what breed would you be? I would be a beagle! Mostly because my dog Jaxx, is a beagle and I think he is the cutest. Plus beagles are so sweet, snuggly, and always ready to go on a hike!
3. If you weren't a teacher, what job would you be doing? If I wasn't a teacher, I would be an astronomer. I have always had a love for the stars, galaxies, and the magic that is just outside the reach of our fingertips!

Parents of 8th grade students, please check your family folder this week for important Graduation Information!
