Dear St. Mary School Families,

It was such a delight hearing all of the kids' stories about their adventures over spring break. I hope everyone had a fun and rejuvenating week! It is hard to believe that it is actually spring with all of the cold and snowy weather we have been having. Please remember to send your child with coat, hat, and mittens as morning recess can be quite chilly.

With the spring season comes the need to have tornado drills. We will be having a drill in the near future to meet state requirements for safety protocol. There will be two scenarios that we will be practicing in the event of severe weather. Please remember to review your home safety plan with your child also.

As we are drawing to the end of the Lenten season and preparing for the joy of Easter, I wanted to take a few moments to say how proud I have been of the students who led & attended the Stations of the Cross each Thursday. It was moving to hear a different version each week and see how each class has put their own personal touch on the Stations. Everyone did an outstanding job leading the Stations in a reverent and respectful way.

Our spring productions of *Thursday Night Live* will be held at the Gem Theatre Thursday, April 28th with two performances at 1:00 & 6:00 P.M. Ticket night is Monday, April 11th starting at 6:00 P.M. in the multipurpose room. There is no charge for the tickets but you must be present to reserve your seats. If you are unable to be here, you can have a family member or friend reserve your tickets. Each family will be granted 4 tickets on Monday night, then on Tuesday morning if more tickets are needed families may stop in the school office to reserve more. Tickets are free, but a free will offering will be taken at each performance.

I hope everyone has a blessed Holy Week and joyous Easter Week-end!

Blessings,
Mrs. J.

STAFF SPOTLIGHT

This week's Staff Spotlight is on Mr. Bill Lucas, our Custodian Extraordinaire! Bill and his wife Sheryl started out in Superior, WI, then moved to Grandview, WI for 15 years, and then settled in New Richmond in 2017. They have 5 children, ranging in age from 24-6. Bill is also very excited as he is about to be promoted to the title of Grandpa in May! He says his favorite thing about working at St. Mary School is all of the kids. "They bring smiles and always have a big "Hi Mr. Bill" when I see them"! My co-workers are pretty great as well!

1. **If you could only eat one food for the rest of your life, what would you choose?** Tacos, they include all the food groups, and TACOS RULE!
2. **What is one thing that's on your "bucket list"?** I would love to go white-water rafting on the Colorado river.
3. **If you could have dinner with anyone, living or dead, who would you choose?** I would want to have dinner with my dad, who passed away 8 years ago. It would be so great to talk to him and tell him all about my kids, and how good my son's doing with baseball at college, and my daughters with softball. He was huge into ball so would love that!

These cost you nothing extra and St. Mary School funding is supported by your participation:
