Dear St. Mary Students & Parents,

I hope that everyone enjoyed their time off over Spring Break and were able to celebrate the Easter holiday with family. Coming back to school with the warm weather has been a bonus for the kids. It is so nice to not have to wear snow pants, boots and mittens. The smiles have been in abundance on the playground. Please do send spring jackets with students as it still can get chilly out on the playground.

Now that we have the first week of 4th quarter under our belts, I am so very happy that our COVID-19 mitigation strategies are still keeping our weekly case rate and close contact numbers at zero. Schools across St. Croix County are still seeing positive cases and the number of cases in the county has been trending upward again for the last few weeks. DHS announced earlier this week that St. Croix County had the highest case rate per capita in the state. Both public (using recommendations from St. Croix County Public Health) and private schools (under the direction of the Diocese of Superior) in St. Croix County have elected to keep all of their mitigation practices in place for the remainder of the school year. These strategies are being kept in place to keep students in face-to-face learning through the end of the school year. We have exactly 37 days of the 2020-2021 school year left, and I know we can finish strong!

I would like to give a big shout out to the Knights of Columbus! The last few years they have supported our Mardi Gras Gala and have purchased the Ice Cream Truck treat day for the students at the end of the school year. The Knights reached out and even though Mardi Gras did not take place, they still wanted to treat the students and staff to ice cream. What a great group of gentlemen! Our Ice Cream Truck treat day will be Friday, May 28th.

Enjoy this beautiful spring weather!

Blessings,

Mrs. J.

# STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Kat Clobes, our 4th-8th grade math teacher, and homeroom teacher for 6th grade. She loves her job because she gets to teach the best subject (in her personal opinion) but she also gets to teach the students for 5 years. She says that even though she has only been here for two years, it is amazing to see how much the students grow up in that short amount of time. She loves the middle schoolers because they start to get really passionate about their hobbies and aren't afraid to tell ya how it is!

- 1. If you won the lottery, what is the first thing you would do?** I would buy my dream Louis Vuitton bag and a Tesla so I would never have to drive again! Then probably take care of more serious things....
- 2. If you could learn to do anything, what would it be?** I would love to learn how to do gymnastics. I have never been able to do a cartwheel and I love watching the gymnastics at the Olympics!
- 3. Ten years ago, who did you think you would be now? (Or what would you be doing?)** 10 years ago I was only 18, so I thought I would be a world famous fashion designer traveling the world with the previously mentioned Louis Vuitton bag and Tesla.
- 4. If you could bring back any fashion trend what would it be?** Bedazzled everything, owning a be-dazzler was the best part about growing up in the 90s/2000s.

**SPONSORSHIP OPPORTUNITIES**

St. Mary School is hosting its 7<sup>th</sup> Annual Golf Tournament on Monday, June 21, 2021. All proceeds will support St. Mary School K-8 students and staff. Thanks to your support last year, even in uncertain times and a date change, we had 32 teams and were able to raise just over \$20,000 for our school. We couldn't do this without you!
