Dear St. Mary School Families,

A HUGE thank you to everyone who made **Staff Appreciation Week** so Awesome! To all workers who brought meals and gift bags and to all of the wonderful donations that made the week possible. We are truly blessed to have such a loving and generous school family.

**Burgers for Books** is back this year. It will be a little different but still a great opportunity to help raise money to buy books. \$6.00 from each basket will be donated back to the school. The event will span 2 nights: May 25th & June 1st from 5:00-9:00 P.M. at the Wild Badger Sports Saloon. Burgers will be available for both dine-in and take-out. I know these will be two nights I won't be cooking dinner! Please see the flyer in the family folder for more information.

The students are almost at the end of the **Spring MAP Testing** window. We should have all tests completed by early next week. Once the testing window closes for the Diocese, an individual student report will be sent home in the family folders. Please contact me if you have any questions. Preliminary scores are showing our students have made great progress this year. I am so proud of their hard work!

**May 28th** will be an exciting day at St. Mary School! We will be having a wonderful afternoon starting with an ice cream truck visit gifted by the Knights of Columbus followed with our annual year book signing in the parking lot. I am praying the weather will cooperate and let us enjoy the beautiful sunshine and school fellowship. If your child did not purchase a year book please let their homeroom teacher know so that an alternate autograph page can be made for them. We want all students to be able to take part in the activity.

Many blessings to all of our mom's this weekend as we celebrate Mother's Day. May your special day be filled with love and joy!

Blessings,

Mrs. J.

# STAFF SPOTLIGHT

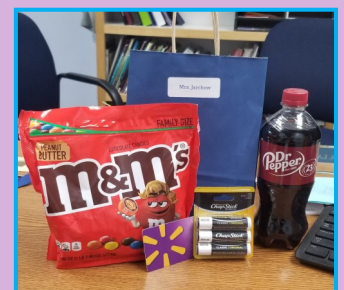

This week's Staff Spotlight is on Mrs. Kristina Jerry, our 4K Connect On teacher. Mrs. Jerry, or Mrs. K as the students call her, has been at St. Mary School for 3 years. She loves teaching 4 year olds because she never knows what her day will bring or what things they will tell her! She loves the wonderful family atmosphere we have at St. Mary School, along with the endless support from other teachers and families. She says it makes coming to work every day enjoyable and fun!

1. **If you were famous, what would it be for? If I were famous for something, it would be for being indecisive. Don't ask me where to eat or what to do on a weekend!**
2. **If you had to sing karaoke, what song would you sing? Never in a million years would you find me singing karaoke!**
3. **What is one thing no one would know about you? I love to bake. For me baking is "me time", I clear out the kitchen, listen to music and relax. I really like to bake at Christmas time, it gets me into the Christmas spirit and I tend to forget the hustle and bustle that time of year can bring.**

## TEACHER APPRECIATION WEEK

We are all so grateful for all the wonderful treats and gifts that were bestowed upon us for Teacher Appreciation Week. We truly have the best families in the world and couldn't be more blessed to work here!
