Dear St. Mary School Families,

Earlier this month during Mass, parish and school staff presented the annual report. This report encompasses all aspects of the parish including events, projects, and financial status. If you were not at Mass, you can pick up a hard copy of the report in the parish office or go to the Church Website and view the report online.

Now that we have entered the Lenten season, starting Tuesdays after spring break, the upstairs classes will take turns leading stations of the cross. Stations will be presented in the church on Tuesdays, each week of Lent at 9:30. Please join us if you are available. You can also take a walk on our playground with your children to see the stations of the cross hanging up on the fence. I pray that your families can embrace this special time as an opportunity to carve out space for more prayer and giving of self.

Thank you once again to the Gala Committee for creating a wonderful event and a night to remember. Thank you to all who attended, all who gave, and to the many people who attended virtually through the One Cause app. What a great support for our school!

A gentle reminder that registration is due Monday, March 1st. Have a wonderful weekend!

Joyfully serving,  
Mrs. Engelhart

# STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Laura Jo Jarchow, our Assistant Principal. Hi, I'm Mrs. Jarchow. I am married to Mr. Jarchow (who does recess 2 days a week and attended SMS) 2 children (who also attended SMS) both married, and 1 delightful grandchild. I have 2 dogs, Fred and Wilma. My favorite thing about working at St. Mary School is all the fun I have with the students and teachers. I love working in a faith filled environment where I get to live the school's mission alongside the students and staff.

**1. You have just won the lottery—what would your first big splurge be on?** I would take my entire family to Austria, stay in a small town, and relax and enjoy the food, scenery, and culture for 3 weeks.

**2. You have to appear on America's Got Talent, what would your talent be?** I am a super multi-tasker.....it is not uncommon to catch me working on multiple things at a time.

**3. What is one fun fact about you we would be surprised to learn?** I was a varsity level gymnast in high school until I blew my knee out.

**These cost you nothing extra and St. Mary School funding is supported by your participation:**
