Dear St. Mary School Families,

Wow! Today marks the final day of Catholic Schools Week, and what a time we have had! Student Council and staff did a great job planning so many fun activities and making it a week to remember, but I think what I will remember most from this week is our Mass with Bishop Powers. We all felt very blessed to have had the opportunity to come together in worship with visiting priests, deacons, teachers, staff, and parents.

The St. Mary School Gala is tomorrow night at Ready Randy's. If you are unable to attend, online bidding is open at

This online option is great for bidding on items from the comfort of your home. There are many fun items available to bid on that I am sure many students would love their families to win; including homework passes, extra recesses, lunch with the teachers, etc. There are also classroom projects from each grade level to bid on too! Online bidding opens tonight at 5pm.

Registration is now open for the 2024-2025 school year, and registration forms went home last week in the family folder. Registration is due by March 1st for all returning families to avoid a late fee. Early registration is required so planning for the upcoming year may begin in regards to staff, textbooks, and instructional supplies.

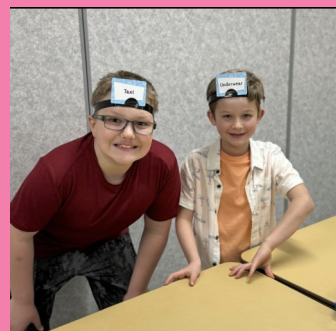

Also, tomorrow Feb. 3rd, is our 3 & 4K open house from 9-12. Please plan on stopping by if you or someone you know would like more information on these early childhood programs that St. Mary School offers.

Have a wonderful weekend!

Joyfully serving,  
Mrs. Engelhart

# STAFF SPOTLIGHT

This week's Staff Spotlight is on Mrs. Alycia Broten, our Preschool Teacher. Hi, I'm Mrs. Broten. I am 34 years old and I have 3 kids. Nathan is 4, Bernadette is 2 and Gabriel is 9 months old. My husband and I have been married for 5 years. I have been working here at St. Mary School as the Preschool teacher for 10 years this May. My favorite thing about teaching 3 year olds is that at this age they look forward to whatever you have planned for the day. They get excited no matter if it's a fun project or a science experiment!

**1. You have just won the lottery—what would your first big splurge be on?** If I won the lottery my first big splurge would be to buy a brand new house and a brand new car.

**2. If you had an important guest coming over for dinner, what meal would you cook to try and impress them?** If I had an important guest coming over for dinner, I think I would make biscuits and gravy with steak and eggs. Breakfast for dinner.

**3. What is one fun fact about you we would be surprised to learn?** I am NOT a fan of spaghetti. I love pizza but can NOT stand red sauce!

**These cost you nothing extra and St. Mary School funding is supported by your participation:**
