Congratulations to the 8th grade graduates of 2024! We celebrated this special time with our graduates during the last school Mass on May 29th with a reception following in Corrigan Hall. Out of our twelve graduates, eleven will be attending New Richmond High School, and one will be attending Somerset High School.

During the reception following graduation, we had the honor of awarding scholarships for our students to use towards their future education. Josie Smith was the recipient of the Grace Walsh Memorial Scholarship for Academic Achievement and the Katie Peterson Memorial Scholarship for service to the school, the parish, and the community. Canaan Winter was the recipient of a new scholarship implemented this year, the St. Samuel/St. Thomas Aquinas Scholarship. This scholarship is awarded to a graduate that has shown exceptional growth academically during their 8th grade year. These scholarships are a testament to their hard work and dedication.

8th Grade Class Trip!

On Wednesday, May 22nd, this year's twelve 8th graders took their end-of-year trip to Madeline Island with Fr. John, Mrs. Engelhart, and five chaperones.

Activities included taking the Madeline Island Ferry from Bayfield, celebrating Mass at St. Joseph Church (the first Catholic Church in Wisconsin), and exploring/hiking Big Bay State Park.

Students also enjoyed the Ashville Visitor Center, a friendly game of mini golf, and making some great memories with their class while experiencing some of the best views in Wisconsin!

Students stayed at Cross Woods Camp during the evenings, where they enjoyed campfire smores, games, and even a talent show!

Exciting Additions!

The summer of 2024 is full of new and exciting additions to our school.

The school's library is getting closer to completion each day. With the help of our wonderful teachers and grounds team, we are now ready to organize books onto the shelves! Six of our classrooms will have Newline Smartboards installed. The remaining classrooms will have them installed next summer.

Also, our gymnasium will be getting an upgrade of two new basketball hoops & basketballs due to a very generous donation from Mary Jo Berends (an alumni of St. Mary School). Thank You!

Thank you to all who support our wonderful school through our fundraisers and other generous donations. It is because of you we are able to give our students the education experiences they deserve!

Rescheduled for August 12th due to weather.

A Note From The Principal

As I finish my first year of being principal, I want to thank everyone for their warm welcome and continued support. It has been a wonderfully productive year. I am grateful for the opportunity to lead and serve this wonderful school community.

It is with much excitement that students will be getting new social studies curriculum this year in the Kindergarten - 5th grade classrooms and a new religion curriculum for the 25/26 school year.

In conclusion, I remain committed to advancing the mission and vision of our school. I am thankful for the dedication and hard work of our staff, the support of our students and families, and the collaboration of our community partners. Together, we will continue to strive for excellence and create a nurturing environment where every student can thrive.

Joyfully serving,

Mrs. Jami Engelhart

Congrats!

With great pleasure, we congratulate Mary Harrold, St. Mary School Alumni class of 2020, for being the recipient of the John & Marianne Ball Scholarship. The John & Marianne Ball Scholarship is awarded to a graduating New Richmond High School Senior who is an alumni of St. Mary School who exemplifies the school's mission to Grow in Knowledge, Follow in Faith, and Serve in Harmony.

Thank You Mrs. Jarchow

Thank you Mrs. Jarchow for your many years of service to the students, teachers, and parents of St. Mary School. We wish you all the happiness in your retirement. You will be greatly missed!

6th Graders had a wonderful time at Beaver Creek Science Camp! Students did water testing, dissected owl pellets, had an astronomy lesson, and enjoyed mother nature.

Students visit the Centre in New Richmond twice a year for swimming.
